

## Thomas Concrete Group named Employer of the Year in the construction and manufacturing industry

Gothenburg, February 17, 2021

**The research and action platform Brilliant Future is now rewarding the employers with the most engaged employees in their industry. The Brilliant Awards – Employee Experience award is based on data from 185 organizations and a total of 235,000 employee surveys form the basis for the list. It can now be announced that the winner in the construction and manufacturing industry is Thomas Concrete Group.**

Thomas Concrete Group is the organization with the greatest employee engagement in the construction and manufacturing industry and has therefore been named the winner of the Employer of the Year in the Brilliant Awards – Employee Experience category.

*“I feel extremely pleased and proud of the entire Team Thomas. Over the years, both in Europe and the USA, we have collectively succeeded in creating ever better conditions for running and developing our company. Engaged employees are crucial for achieving our vision of being perceived as the best in the industry. This award is a wonderful confirmation that we are on the right track,”* comments Hans Karlander, President and CEO of Thomas Concrete Group.

The Brilliant Awards list and hand out awards to the companies that have succeeded in creating a workplace culture with many engaged employees. Data has been collected since January 1, 2020, and the results are based on a total of 235,000 employee surveys.

*“Our ongoing analyses show that engaged employees create loyal customers and strengthen the business. Thomas Concrete Group is showing the way and the importance of continuously surveying employee engagement within the organization in order to be aware of where the organization is and as input for activities to continue development,”* says Andreas Ferm, CEO of Brilliant Future.
